- Transplants: waiting period of twelve (12) months
- Tubal ligation and vasectomy: waiting period of eight (8) months.

The waiting periods, except in maternity, shall be eliminated if during the last 12 months you have had health insurance.

All information regarding coverage limitations is detailed in the General Conditions and in the Particular and Special Conditions.

Where am I under coverage?

- ✓ The coverage of the policy is valid and provided only in Spain, except for healthcare assistance during temporary trips outside Spanish territory for periods of less than ninety (90) consecutive days.

What are my obligations?

- To sign the policy and return a signed copy to Cigna Healthcare.
- To make the payment of the premiums in their corresponding maturities as well as those due to deductibles in case of contracting the product with said option.
- To inform Cigna Healthcare of the occurrence of a claim covered by insurance in the case of a request for reimbursement or need authorization.
- Provide all information to Cigna Healthcare with regard to the circumstances and consequences of the accident covered by the insurance.
- Always carry your Cigna Healthcare card with you when you go to the doctor or call our Customer Service department.
- Request authorizations, when needed.

**How and when do I have to make the payments?**

The payment of the premium can be made at once at the time of the coverage start or in instalments according to the needs of the customer.

**When does coverage begin and finish?**

Coverage begins on the 1st of the month following the policy request and ends after one year.

**How can I terminate the contract?**

One month before the annual renewal of the policy, you can inform Cigna Healthcare of your intention to terminate the contract by email to: servicio.cliente@cigna.com
